Flight '86

Brent + Heidi

This year has been like a natural high in my life. I realize that your time spent at Taco Bueno was time well spent, but next time, think about your lifetime buddy over here. Ever since the "Black Label" incident it seems as though we parted and went our separate ways. Like, was I there, well nevermind. I sincerely hope that your's & Christin's relationship is profitable. (at least). Well with one year left we must take heed and realize that the end is near. Let's party, play golf, drive fast, get la-- have fun and fall down, together... again.

Daron

Little Boy,

Well, this year is over. God it went so fast! There've been a lot of upst downs – at least there were mostly ups. Homecoming & the Party Mobile were a blast and I know Junior/Senior will be even more of a party. Of course it will, it'll involve at least 1/2 of the Camwick Crew '85. I hope you have a great summer. We all have to get together before September.

If you need me, anytime, just call. You've been the best "boy who is a friend" a girl could ever have.

Love,
Kristen

M.S. Football Has Another Winning Season

Both the eighth grade and seventh grade football teams had successful seasons. The eighth grade, coached by Steve Chevreaux and Joe Breedlove, had their toughest game against St. Mark's. The seventh grade, coached by Mark Collins and Joe Murph, played against All Saints, Dallas Christian, and Trinity Christian. This year's sixth grade team was divided into intramural teams to play flag football. All the coaches believe that their players show promise for the future varsity teams.

Fighting Falcons Never "Fowl"

Middle School volleyball was divided into three teams. The "A" team was headed by captains Nicole Donnelly and Carrie Wilson. The team concentrated on offensive strategy taught by their coach, Jackie Rea. The "B" team was coached by Randy Briggs. It was a very talented team with captain Regan Hall. They spent the majority of the season increasing their basic skills.

The Middle School field hockey program was short on opponents this year playing only three games. Under the leadership of Becky Conlee and Carolyn Brown the "A" team practiced diligently.

These steps paid off as our teams showed improved skills, better teamwork and a fuller knowledge of the game.

Fine Arts in Middle School

The Middle School Theater and Orchestra programs headed by Mr. Viola, Mr. Potts, and Mr. Shipley were very promising. Basing their teaching on the Stanislaviski system for young actors, their performances this year included *The Velveteen Rabbit, Still Alarm,* and a variety show.

The Middle School Orchestra group was the biggest and best balanced ever at CDS. There were forty people from the 7th and 8th grades alone. Involved in performances including a Tandy Center Christmas program, a CDS Christmas program, and a Six Flags contest, the Middle School musicians had a full year.

LARGE TURNOUT FOR MIDDLE SCHOOL ART

Mr. Greg Ploetz, Ms. Robinson, Ms. Cummings, and Mrs. Koeppe were excited to welcome one hundred and nine students to the Middle School art program. The sixth grade used the body as their subject, molding with clay and making self-portraits. The seventh and eighth grade participated in figure drawings, action paintings, and wire sculpting to name just a few of the year's projects. Mr. Greg Ploetz hoped that Mr. Costello would allow the artwork to be exhibited inside the Middle School provided the artwork be indestructable.

A Homecoming To Be Remembered

With the theme of "Let's Cruize", Homecoming was a great success. Falcon force painted signs, juniors decorated the commons, seniors fancified the ballroom, and the freshmen turned the locker area into a thing of beauty. Thursday night, the flaming letters got students fired up for the big game. Friday was one of the best pep-rallies C.D.S. has seen, where the senior girls presented a take-off of Love Boat. That night the mighty falcons were victorious over the Trinity Christian Trojans. The Wave played at the Worthington Hotel on Saturday, and Homecoming '85 is surely one to be remembered.

SPIRIT — LIKE IT HAS NEVER BEEN SEEN BEFORE

The US Cheerleaders have had an awesome year. It began with an outstanding week at NCA cheerleading camp in Kerrville, Texas, where they earned the Award of Excellence finalist and selected one of the top teams. They also brought home the coveted "spirit stick." They gave new meaning to the words PEP RALLY with their innovative cheers and pyramids. School spirit was at an all time high this year, due to the hard work and undying support of the cheerleaders and the Falcon Force.

Falcons Fight Tough

Country Day's varsity football program welcomed their new head coach, Kenneth T. O'Keefe. His impressive experience included two years assistant coaching at the University of New Haven and six years head coaching at the Worcester Academy in Massachusetts. Coach O'Keefe was aided by the other part of the outstanding coaching staff including Greg Pleotz, Will Stansbery, and Joe Breedlove. The falcons suffered early in the season as they lost four games, tied once, and won only once in their first six games. But, when Coach O'Keefe awarded every varsity player the falcon merit sticker on the back of their helmets, the team finally realized their unity as emotion exploded when the Falcons slaughtered Trinity Christian Academy 21-0 in the Homecoming game. Frustration ended and confidence had been restored though determination did not end when the teams leading seniors Chris Clark, Mo Sheats, John Martin, Tony Hodnett, Bill Arnold, and Trey Gibbs preserved the "commitment to excellence." Through the rest of the season, the Falcons fought hard for the S.P.C. tournament race.

The Junior varsity coached by Joe Murph and Mark Collins also suffered early as they lost five out of their first six games. However, the team had lost some of their better players like Eddie Hartwell and Carlisle Wysong to the varsity.

Volleyball Bumps

Into a Good Season

Country Day's Varsity Volleyball Team started off the season by winning most of their games. Then they lost to Nolan which broke their winning streak. The majority of players were seniors, but there were some juniors, sophomores and one freshman, Missi Olson. The Varsity was lead by captains Leah Fulkerson, Christina Conway, and Libby Durham. Coach Butch Traeder aided the girls through their triumphant season. The Junior Varsity, led by Kelsie Costello and Julie Ward, won most of their games but lost to Trinity Valley and Oakridge. Coach Fischer helped the JV girls through a winning season. The main reason for both teams success was the coaching abilities of both coaches and the never ending spirit and drive of the players.

Field Hockey Undefeated in North Zone

Under the senior leadership of captains Jill Gordon, Sharon Maberry and Ann Ranelle, the Varsity Field Hockey team had a successful season. They had a final record of 13-2, 9 of which were shut-outs. The incredibly well-rounded team had an overwhelming record of goals scored; the Falcon offense scored 47 goals while the Falcon defense only allowed 7 goals the entire season. With ten veterans returning, they went into SPC with high hopes, only to be shot down by Holland Hall in a flick-off. The team left the tournament with plans for next year and a Division I Runner-up trophy.

The JV Field Hockey team also had a successful season with 7 wins and 3 losses. Their intense practices paid off when captains Heather Flynn and Amy Hemp led them to the St. Stephen's Tournament where they captured second place.

Baby, We Were Born to Run

The Cross Country team was led again by coaches Suzanne Lewis and John Killion. Although the team, headed up by senior captains Andrew Bruner, Alan Cross, Bill Steele, Goerge Steele, and Lisa Stancukas, was not very successful in meets, they always gave it their best. The star runner again this year was Rachael Clark. The team spirit this year was high, as was the school support at the Invitational. Overall, the runners improved a great deal and it was a good, fun year.

The Ups and Downs of Boys Soccer

The Varsity Boys Soccer Team, under the guidance of Coach Art Burke and senior, captain John Martin, worked hard all season. The team's various skills were made evident by several exceptional games when the boys rallied to defeat noteworthy opponents. Although the overall season record was not great, the boys played with a lot of desire and intensity. The team will lose six starters next year, which will put lots of pressure on underclassmen to improve on this year's record.

The JV team, mainly consisting of freshmen, deserves an "A" for effort. Led by Coach Mark Collins, the team worked hard at improving their skills. This young team shows promising ability for future years.

Punt . . . Head . . . Dribble . . . Shoot . . . GOAL!

The Girls Varsity Soccer Team had a winning season under the leadership of Coach Enid Russell and senior captains Sharon Maberry, Jodie Ousley, and Ann Ranelle. Their skills ranged from incredible speed to overwhelming ball control. With a large number of veterans, the team's unity was clearly visible. Their togetherness enabled them to endure the harsh weather, difficult opponents, and numerous personal injuries.

The JV Girls Team also had a successful season due, in part, to a new addition, Coach Diedre Pannell, and two captains Nikki LeBlanc and Nancy O'Brien. The team practiced hard every day and improved their skills tremendously. Many of these players will be a welcome addition to next year's varsity team.

Young Basketball Team Gains Experience

Both girls' basketball teams, coached by Butch Traeder, Caren Fischer, and Patty Penfield, finished their seasons with a better-than-expected game average. The Varsity fought their way to the First Division in the North Zone games at Tulsa.

Both teams were very young this year. The JV consisted of seven Freshmen and two Sophomores, while the Varsity had two Freshmen, four Sophomores, and two Juniors. The youth of the girls in both teams will give CDS the great advantage of experience in next year's season.

Wrestling Takes Hold!

The Upper School Wrestling team this year was a diverse group. There were a number of promising beginners and also some seasoned veterans. Some key individuals were Devon George, a runner up State Champ in '85, and Jeff Fraley, also a former State Champ. Jim McCoy, Brad Howard, Byron Glickfield, and newcomer Jeff Greenman also had some nice performances.

Tournaments were held in many Texas cities including the state meet in Plano. Other opportunities for the less experienced wrestlers were the novice tournaments. CDS's novice team placed 2nd at the Mesquite Tournament. Overall the experienced and the beginning wrestlers had a good year.

Kindness, Grace, and Strength

Conditioning underwent many changes with new coaches Ms. Jackie Zigler and Mr. Johnny Miller, and a new name, "The Falcon Pride." Students alternated between competitive sports, running, and weight lifting.

Gail Corkery took her beginning ballet students to the advanced level through a series of exercises, during which they increased their personal stamina, and prepared themselves for the spring recital.

Mr. Cordell extended Outreach activities to bowling with the Blind Center and Cerebral Palsy hay rides. Another popular choice was working at John Peter Smith Hospital.

"Grease" Is the Word!

The Upper School Theater produced three performances this year. "An Evening of One Act Plays" and "I Never Saw Another Butterfly" were the fall plays. The Broadway musical, "Grease" was the spring production. These were directed by Mr. Al Viola, the chorus was led by Mr. Alan Potts, and the musical was choreographed by Ms. Julie Ballew.

The Upper School Orchestra divided into three smaller ensembles this year. The Chamber orchestra performed at formal receptions like "Parents' Night," and with the choir on concerts. The Pep Band played at athletic events and pep rallies. The Lab Band, led by Mr. Preston Thomas, played at special functions and participated in a Fine Arts Festival. The orchestra as a whole was led by Mrs. Vivian Potts.

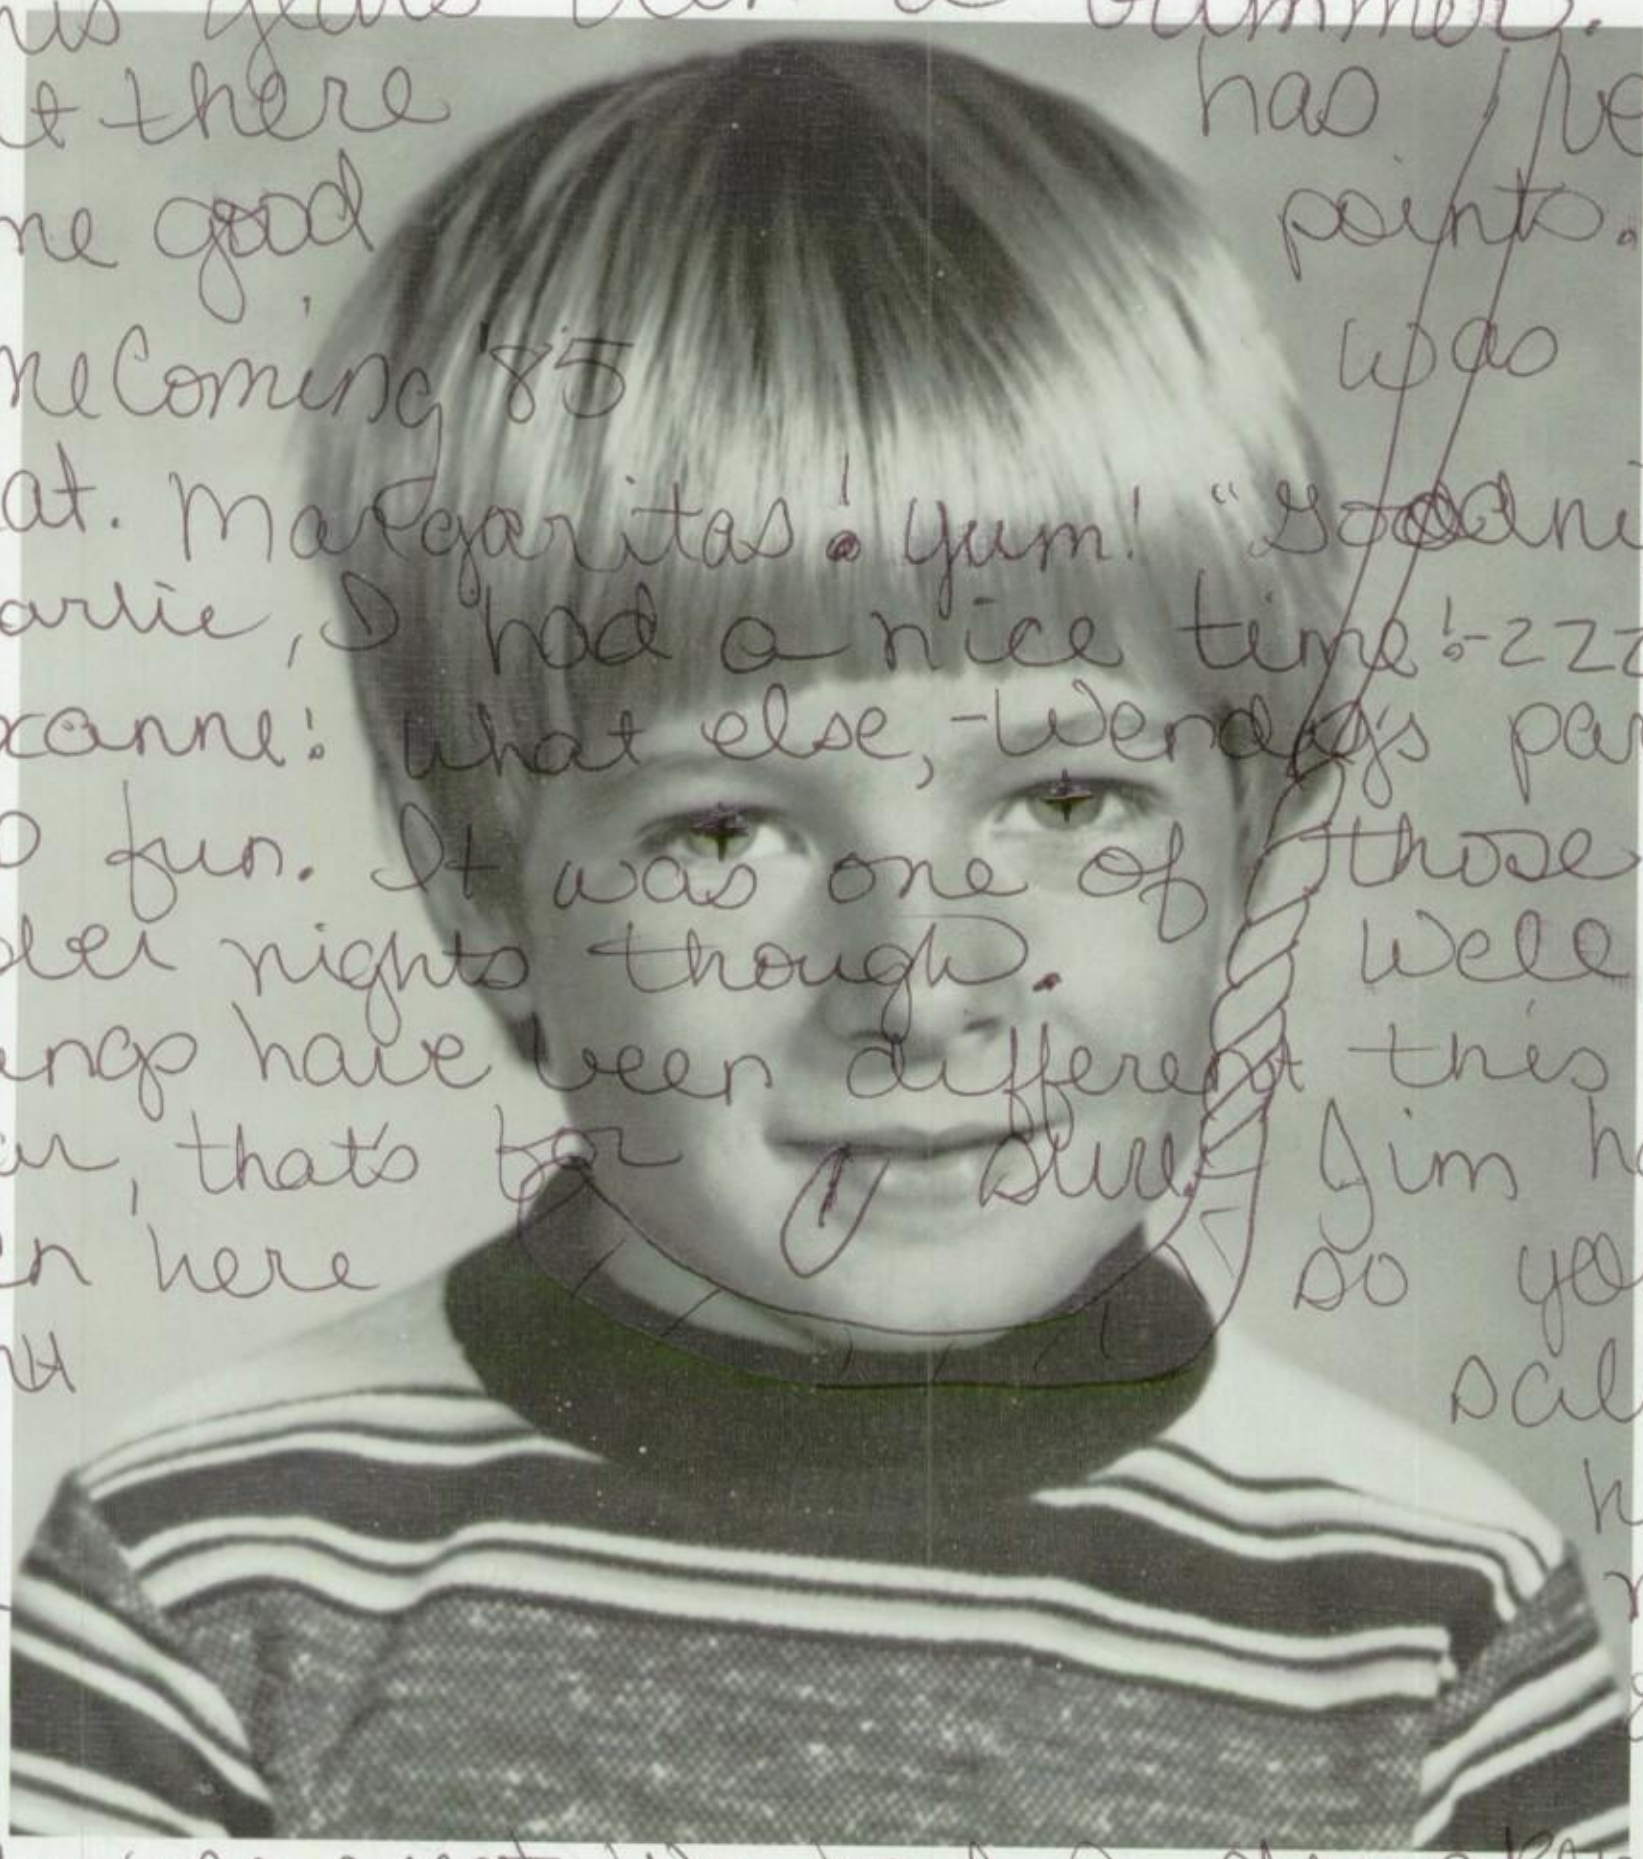
This year's been a bummer. But there has been some good points. Homecoming '85 was great. Margaritas! Yum! "Goodnight Charlie, I had a nice time!-zzzzz" Roxanne: What else, -Wendy's party was fun. It was one of those older nights though. Well, things have been different this year, that's for sure. Jim hasn't been here so you can't salute him anymore. Disco Party was great. We had a drunken brawl Too bad you weren't there. Oh well, you will come to the annual pool party next year! (or choke rather!) I hope that me + Mike have patched things up by then b/c he is invited. If not, I can have your shoulder to cry on—



From 1st to last you've made us gasp
but most of all we've had a blast!

Brent,

Well your Junior year is over & you'll be moving on soon to being a big ass Senior. I'm proud to say that you were a definite asset to me this year & you gave me many wonderful memories. I'm truly sorry about being so stupid at the beginning of the year but just think now you have Christen and I have Chris . . . the 2 best things that ever could've happened to us. I'll never forget homecoming b/c it was truly one of the funnest moments of my life even though I "dropped my Pajamas" and "fertilized someone's lawn." Physics was just there but I had a blast even ~~[illegible]~~ since you all gave me hell about "moving things." Thanks for being such a doll & being there when I needed ya (i.e. that time you saw me crying about my grades). I'll really miss ya next year. Maybe we can double this summer or something. Seriously though anytime you need a boxing or your computer or a wrecked car you know who to call! Ha! Ha! Hey remember the night I almost got you arrested? I felt so bad & I'm still super sorry. Well doll, good luck next year & don't forget me!

Love Always,

Tina

P.S. - Thanks for the "Study Sessions" in Physics . . . now I'm exempt from the ~~[illegible]~~ my finals! Yeah!!! "Ray" "Ray" etc -

Nicker,

Smoking, drinking, raising hell and still alive too. Amazing. We need to get together and yeah, this summer. Go to the ranch and do some logging. Some night I'll take you for a flight in the Celica. Show you how a real car moves.

Dad

It seems like only

were "going" together.

"Lisa, where did you put it"
"Child dudes its in my purse!"
